Utility Questions

Current Utility Work:
<i>What active projects or initiatives are you working on right now?</i>
<i>What are your greatest strengths as a utility?</i>
<i>What's going well for your utility?</i>
Utility Challenges:
<i>What are you most stressed about?</i>
<i>What things would you like to accomplish if you had more time?</i>
PRSERVE Questions:
<i>What do you hope for with this PRESERVE project?</i>
<i>What concerns or questions do you have about the PRESERVE project?</i>
<i>What is the most convenient time to break away from your daily work to do PRESERVE work?</i>

Is there a specific working group you would be interested in joining?
